CAUTION . . . . . .

Pay no money in advance to Stewart Directory Canvasser. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance of the delivery of the books ordered, which they never furnish. In reference to this City Directory we publish the following terms. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

CAUTION . . . . . Pay no money in advance to Hemenway Directory Composers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.
